 Alexandria, VA 22313-1450

Sir:

Responsive to the Office Action mailed on January 23, 2003, please amend the above identified application as follows:

IN THE CLAIMS:

Please amend the claims as follows:

1. (Amended) A monitor for discharging fluids from a fixed mount, comprising:
- a) a fluid conduit having a base section including a first axis, a midsection, and an exit section;
 - b) a first joint between said base section and said midsection having a swivelable portion arranged to allow said midsection to swivel about said first axis; and
